WELCOME FROM ADYO'S EXECUTIVE DIRECTOR

It is my great pleasure to welcome you to the Crescendo Youth Music Festival, proudly presented by Adelaide Youth Orchestras.

This festival is a celebration of what is possible when young people, educators, and arts organisations come together in the spirit of collaboration. Across South Australia, we are fortunate to have a thriving community of youth arts organisations who share a vision: to empower young people to create, connect, and inspire through music.

Crescendo represents more than a concert series - it is a glimpse into the future of music in this state and, in fact, across the nation. The energy, talent, and creativity you will experience on stage are a powerful reminder that the next generation of artists is not only ready to step into the spotlight, but also to lead the way in shaping the cultural life of their local communities.

Adelaide Youth Orchestras is proud to play its part in this journey, providing opportunities for our nearly 300 young musicians to grow, perform, and collaborate at the highest level. Festivals like Crescendo highlight the importance of working together, sharing ideas, and building a culture where young people are supported to achieve their full potential.

Thank you for joining us in celebrating these outstanding young musicians. Your presence and support ensure that the future of music in South Australia continues to shine brightly.

Adelaide Youth Orchestras is proud to present amazing experiences for young people and audiences just like Crescendo - but we can't do it alone.

By donating to AdYO, you'll join a community of music lovers dedicated to supporting our programs providing young South Australians with life-changing learning opportunities.
